Term 4 Week 9 2 December, 2019

Rule of the Week: **Be Safe**

Values: Care Responsibility Fairness

Disposition: Open Minded

## Principal's Message

Dear Parent/Carers,

Welcome to Term 4, Week 9 everyone.

### THANK YOU

Last Thursday we had a chance to thank a small group of parent volunteers with a morning tea provided by the staff.

Due to family and work commitments many parent helpers were unable to attend the celebration. A special thank you to our P&C members and School Club representatives. Thank you to all volunteers assisting with the canteen, student banking, uniform shop, general fundraising initiatives, the fete, carols, chess club, scripture classes and the Year 6 farewell. Also, thank you to all the parents that find time in their busy schedules to assist in classrooms.

Finally, thank you to all parents for supporting the children with their learning and encouraging the children to have positive attitudes towards their school life. I appreciate that not everyone can find time to assist at school but support the children at home.

### PRESENTATION DAYS

Congratulations to all award recipients today and for tomorrow's K-2 Presentation day and

Wednesday's Creative Arts and Sport Assembly 3-6. We are proud of all your achievements this year and look forward to working alongside you all and achieving great things again next year!

### Using Digital Devices, Including Phones, At School

You may have recently seen stories in the media about whether phones and other digital devices are harmful for students. We know that using technology is a key part of our daily lives and digital technology skills are important for learning and preparing our children and young people for life beyond school. We also know we need to support our students to use technology in safe, responsible and respectful ways.

To support schools and students, a new policy on the use of all digital devices in schools will apply in all NSW public schools from 2020. Our school will be updating our BYOD procedure and school policy to reflect the new requirements during Semester 1.

Under this policy, the use of digital devices by our primary school students will be restricted during class, at recess and at lunch unless:

- use is approved by a teacher or principal for an educational purpose;
- where use forms part of a reasonable adjustment for student learning and wellbeing; or
- where an exemption has been granted for other reasons.

Except where required by law, the school principal has discretion to consider and approve exemptions and to choose which parts of the school procedure the exemptions applies. The exemption may be ongoing or for a certain time period. An exemption can be requested from the principal by parents, carers, school counsellors and other student support staff, and, if required, students themselves.

This policy has been developed in response to the findings of an independent review into the risks and benefits of mobile devices in NSW schools conducted in 2018.

Information on this policy and responses to some Frequently Asked Questions are available at: <https://education.nsw.gov.au/about-us/strategies-and-reports/our-reports-and-reviews/mobile-devices-in-schools>

As we begin to review our existing arrangements around the use of digital devices and online services at our school, we will be consulting you. We will make further announcements about how you can participate.

We will continue to expect students who bring mobile phones to school, hand them into the office before school in a labelled bag and collect them at the end of the day, as has been our practice this year.

We are looking forward to working with our school community to support our children and young people be safe online and balance the benefits and risks of digital technology.

Have a wonderful week of learning everyone,

Karen Mortimer  
Principal

## Week 9 Values Focus Democracy

## Important Events

### PICNIC DAYS – 12<sup>th</sup> & 13<sup>th</sup> December

Please ensure you have paid and returned your **PICNIC** day note to the Payments box **ASAP**.

### THANK YOU

A big thank you to all our teachers and support staff, including Mr Jim, Ken B and Mr Don, who helped set-up or came along to Carol's night to help coordinate the student performances and get involved in the staff performances as well!

A special thank you to our volunteer parents who worked behind the scenes and/or came along and supported our School Club convenor Stacie Powell, and her team to make the night a great success. Thank you to Daniela Guli for helping to source the wonderful Lucky Door prizes and to **Delight Cone** owned By Ethan and Lily - parents at our school, who provided us with yummy ice cream and coffee throughout the night then donating a large portion of their profits from the night, back to our school! We thank you so much!

Thanks to our canteen manager Hui-Ching and her team for running the canteen on the night and to you, our parents for coming along and enjoying yourselves! It was a great turn out!

Again thank you to all who provided a gift for the **Reverse Christmas Tree drive for the Salvos** and those who donated to support the **RFS and their Bush Fires Appeal** to support those families devastated by the recent bushfires. We raised almost \$500! So well done everyone a great effort!

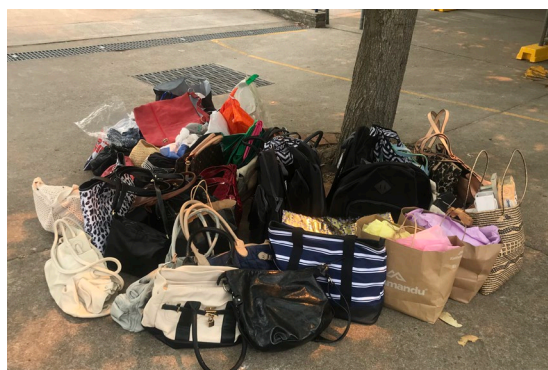

Lastly, thank you to our wonderful community for donating these great lucky door prizes! We value your support and look forward to continuing our community partnerships in 2020.

### Share the Dignity

Thank you to our community for donating the "Share the Dignity" goods for women and young girls who find themselves homeless. Your generosity was outstanding!

# School Notices

## SCHOOL UNIFORM

As the year draws to a close, a reminder to parents to ensure that students continue to wear their **correct school uniform** until the last day on Wednesday 18 December.

Please note that **sport shoes must only be worn with sports uniform**. Proper black school shoes are to worn when wearing regular school uniform. Grey socks for boys and white socks for girls. **NO CUT OFF ANKLE SOCKS.**

**School Hats** are to be worn at all times when students are outside – recess and lunch, as well as coming and leaving school.

Please make a point of checking that all uniform items are labelled as this tends to wear off after many washes.

## SCHOOL ENVIRONMENT

Each and every day, teachers remind students about recognising and taking pride in their school environment and being responsible for their belongings. We ask parents to please echo this message at home as we are continuing to fight the

battle of a very untidy playground, not only littered with rubbish but also lunch boxes and uniform items. Please take a proactive role and encourage your child to take more care with their belongings and their environment.

## BEGINNING STRING PROGRAM FOR K-2 STUDENTS – ENROLMENT FORM

Please see the enrolment form in the attachments for this program.

## ICT NEWS

Our school reports were uploaded to the Sentral Parent Portal over the course of **Last Week** (2/12/19 – 6/12/19). **Contact the office if you have not received the report or are having technical difficulties.** Please see your child's classroom teacher if you wish to discuss the report. Here is the link for the Sentral Parent Portal <https://ssps.sentral.com.au/portal2/>

If you are having issues accessing the Sentral Parent Portal, please visit <https://strathfies-p.schools.nsw.gov.au/about-our-school/sentral-parent-portal.html> for some troubleshooting ideas.

If you still have issues accessing the Sentral Parent Portal, please **email the office** and a member of the ICT Team will get in contact with you.

## STATIONERY PACKS FOR 2020

Kookaburra, the stationery company has been given the stationery needs for all student years for 2020.

If you would like to be super organised, please go to the attachment in this **Scene** that gives you the instructions to **order the packs** and delivery to your home. No need to troll the stores in the Christmas holidays.

## CHILDHOOD ANXIETY

If your child is aged 7-12 years old and becomes afraid of certain situations or objects, worries about a lot of things, gets distressed or tries to avoid things they fear, please read the attachments. Free home-based assessments and treatments are offered through the Griffith University.

## PARENT NOTICES

Please find attached various activities that may be of interest to children in 2020 and after school care.

## iPLAY – ACTIVE KIDS

The Active Kids program aims to increase participation of school-enrolled children in sport and physical activity by providing parents with vouchers to help cover the cost of registration and membership fees. Families can now access two

separate \$100 vouchers for each school-enrolled child. This means more kids can get involved in physical activity and learn healthy habits from a young age. The vouchers may be used with an approved Active Kids provider. There are over 10,000 providers in NSW. The vouchers can be used to pay for out of school physical education programs including netball, soccer, gymnastics, tennis, tae kwon do and baseball. The vouchers maybe approved for by using the Services NSW website.

<https://www.service.nsw.gov.au/transaction/app/y-active-kids-voucher>

### PRINCIPAL MERIT PINS

The Principal Merit pins will be replacing the Principal's Award, presented to students after they have received **3 Think of Others Certificates**. Please note that there are no replacement badges.

## P&C News

### HOLIDAY GIFT STALL

A variety of gifts, ranging from \$1-\$8, will be available for purchase from 8am to 8:50am in front of the Hall on Tuesday 10 December.

Please send your child to school with a small amount of money to shop at our Holiday Gifts stall! All funds raised will go back to support SSPS.

#### COMPULSORY SCHOOL ATTENDANCE

##### As a Parent, what are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The

*Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for home-schooling. Once enrolled, children are required to attend school each day it is open for students.

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Please refer to the attachment in this Scene regarding more information about Compulsory School Attendance.

#### PRIVATE STRING LESSONS

Private individual lessons for SSPS students to learn the violin, viola, cello or double bass lessons are offered at SSPS after school in 2019. If you are interested, please see the School Office for contact details.

### Chess Classes at Strathfield South Public School

- Learn to be a chess champion! Coaching for students at Strathfield South Public School is held on Mondays from 8:10 AM - 8:55 AM (Years 1-2) & Thursdays from 8:10AM - 8:55AM (Years 3-6).
- Learning and playing chess helps children develop their logical thinking and problem solving skills, improves their concentration and focus, while also being a great source of enjoyment. Activities include group lessons on a demonstration chess board or interactive whiteboard, puzzle solving and fun practice games.
- Students earn merit awards by making checkmates, or by displaying skills and positive qualities, which all good chess players strive to develop.
- If your child is interested in taking part, email [enrol@sydneyacademyofchess.com.au](mailto:enrol@sydneyacademyofchess.com.au) for an enrolment form. For all enquiries, please contact Sydney Academy of Chess on (02) 9745 1170.

LEARN A MUSICAL INSTRUMENT WITH BIM

## "How will learning MUSIC help my child?"

### Music creates confident, clever and engaged kids

Learning a musical instrument sparks new pathways in our brains, which leads to stronger executive functioning, not to mention greater literacy and numeracy skills too! Playing an instrument can be a wonderful way for kids to express themselves, and of course leads to an increase in confidence and self esteem too!

### Music makes young people great!

Music provides the best start for EVERY child, wherever life takes them. Our young student musicians are our future doctors, scientists, teachers, artists, musicians and more & we know that their musical learning provides the strongest foundation possible for their future success.

### The DIM approach works

All DIM students learn as part of an ensemble. You'll attend 2 face-to-face sessions every week. One in a large group to hone your ensemble skills, and the other to learn the finer details of how to play your instrument. Learning with your friends is fun and exciting and can provide that extra motivation to help keep your progress on track.

### DIM cares about our young musicians

DIM has been established for over 15 years as the leading provider of instrumental programs in Sydney schools. Our vibrant network of teachers, tutors and musicians bring out the best in every child. We know that starting out on an instrument is a big step for your whole family, and we value the investment of time, energy and money you're making. We want to see you get the best return possible!

### We're here to help

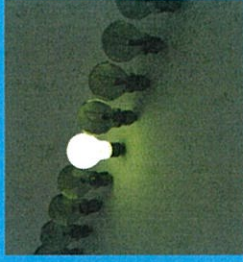

We're proud to employ a team of expert Program Managers dedicated to supporting our students, parents and schools. Give our office a call and our awesome team will help you find all the right answers!

## Sounds like fun, but it must be a lot of work?

### What if my child doesn't like it?

Learning an instrument is tricky and it can take a little while to get the hang of it. While it can be hard at the beginning, we encourage all of our students to stick with it and complete their first year in full. There is no instant gratification when it comes to learning music - stick with it, and you'll be rewarded!

### I don't want to buy an expensive instrument.

### Can we hire one?

You'll need an instrument to bring to school for lessons and rehearsals, and you'll also need it to practise with at home. It's super important to have a good quality instrument especially when you're starting out. You can provide your own, or hire one from DIM - we provide excellent quality instruments at a great rate for beginners.

### Is more really better when it comes to music?

The more you play, the better you get! You'll attend 2 sessions with a teacher each week, and you should play your instrument at home too - start out with just 10-15 minutes each day, 3-5 days each week. Playing for someone at home is a great motivation - family, friends, pets, even toys can all make great audience members and provide awesome motivation too!

### What about membership fees?

You'll find all the details of your school's fees on your enrolment form, and also on the DIM website. You can choose to pay your full annual amount in one lump sum at the start of the year or in 4 equal termly payments, or in 11 equal monthly payments (no January payments - we're all out enjoying our summer holidays!). We offer lots of options to suit our families - the choice is yours.

# Compulsory School Attendance

## Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

### The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

### What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

### Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

### **My child won't go to school. What should I do?**

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

### **What might happen if my child continues to have unacceptable absences?**

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

### **What age can my child leave school?**

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

### **Working in Partnership**

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

**If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.**

Further information regarding school attendance can be obtained from the following websites:

#### **Policy, information and brochures:**

Please visit the Department of Education's *Policy library*

#### **The school leaving age:**

Please visit the Department of Education's *Wellbeing and Learning* website

#### **Do you need an interpreter?**

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.

## ICT NEWS

### Online Gaming

Online games can be fun for your child, but make sure you can help them manage risks.

#### Benefits:

Many games can improve your child's coordination, problem-solving and multi-tasking skills, as well as help build social skills through online interactivity with other players.

#### Risks:

- Spending too much time gaming, which can have negative impacts on your child's health, ability to study, social and emotional wellbeing
- Bullying and grooming through online or in-game chat
- Games with gambling-like elements can normalise gambling for young people
- Costs of in-game spending

#### Create a safer gaming environment for your child

- **Prepare** – locate the computer or gaming console in an open area of your home and use available parental controls and safety features for devices, browsers and apps.
- **Build good habits** – help your child protect their personal information by using a screen name that does not reveal their real name. Teach them not to click on links provided by strangers, like 'cheat' programs to help with game play, which can contain viruses or malware.
- **Agree on strategies to help them switch off**- use a time that signals them time is nearly over, with mutually agreed to consequences for not switching off.
- **Stay involved** – talk regularly with your child about their gaming interest and who they play with online. Play alongside your child to get a better sense of how they are handling their personal information and who they are communicating with.
- **Be aware of what they are playing** – games vary in their level of violent or sexual content, and may contain themes, languages and images that are unsuitable for your child.
- **Empower your child** – wherever possible help them make wise decisions for themselves, rather than tell them what to do. Try to provide them with strategies for dealing with negative online experiences that will build their confidence and resilience.

# Uniform Shop Special News

Now that Kindergarten orientation is over the Uniform shop will be getting ready for stocktake so the last day of operation was Monday 25 November, 2019. **All online orders also ceased on 2 December, 2019.**

**The shop will re-open on Tuesday 28 January, 2020 (student free day) 12:00noon – 2:00pm.**

As the days are warmer we are finding a lot of jackets on the lost property shelves. Please remind your children to keep their jacket in their bag or keep checking on your jackets.

We give special thanks to all parents who volunteered at the Uniform shop this year. We look forward to your return next year and welcome many more new volunteers in 2020. Have a safe and happy holiday.
